### **Points as discussed are mentioned below:**

The pre-bid meeting commenced at 3:00 PM. The queries submitted by M/s Voltas were taken up for discussion. The details are as follows:

1. M/s Voltas submitted a query through letter requesting removal of the clause regarding mandatory OEM authorization as mentioned in Clause No. 9(f) of “Information and Instructions to Bidders for Tendering.” AIIMS Deoghar clarified that the requirement of OEM authorization is essential to ensure smooth and timely delivery of spare parts directly from the OEM. This is necessary for effective operation and maintenance of the system. Accordingly, the above-mentioned tender clause shall remain unchanged.
2. M/s Voltas submitted that there is a contradictory statement regarding the penalty amount of ₹2,50,000/- as mentioned in Clause No. 6.3 of the Special Conditions of Contract.
